

# Uphill Movement

# Downhill Movement

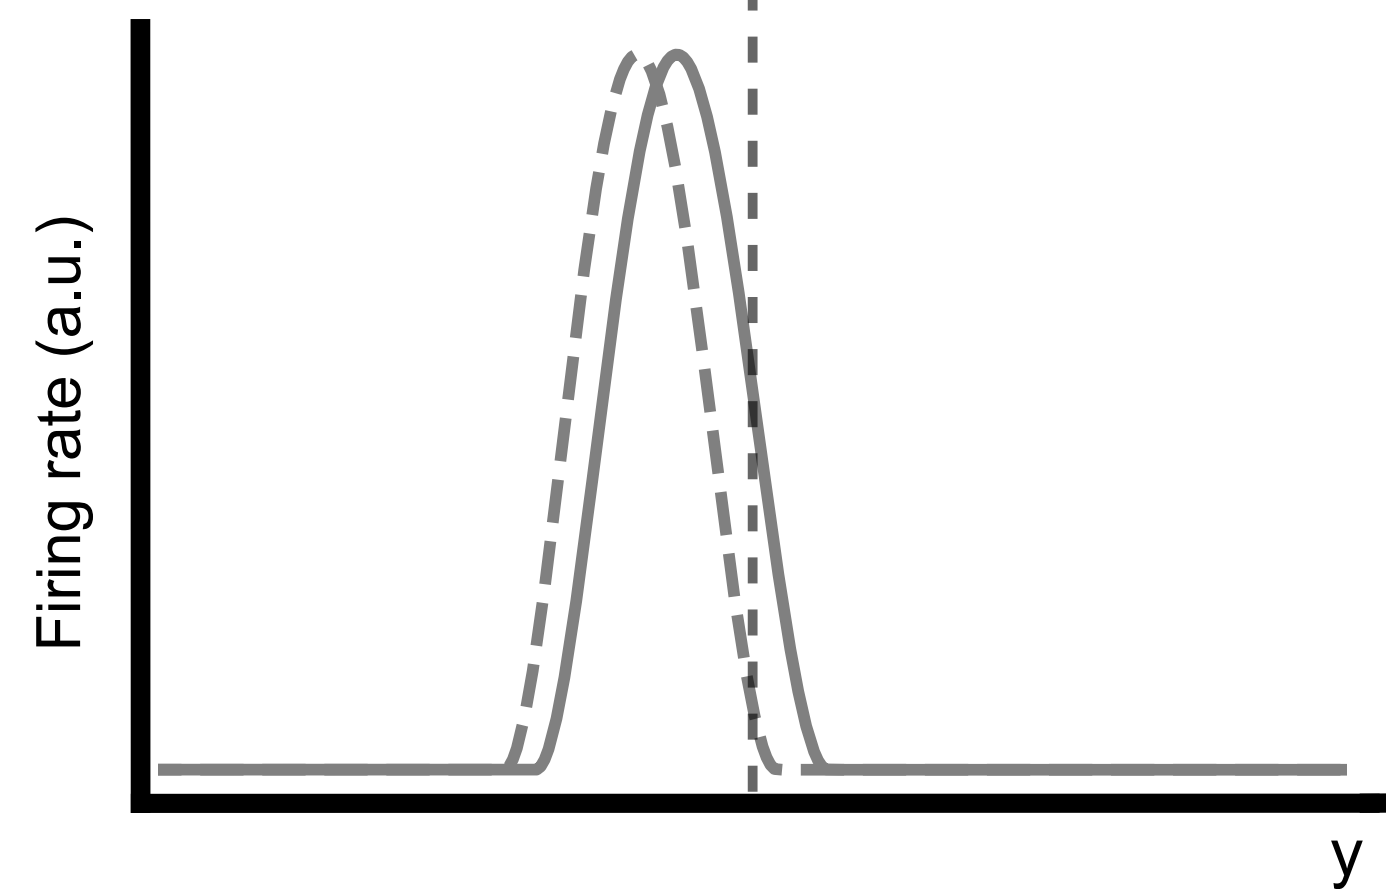

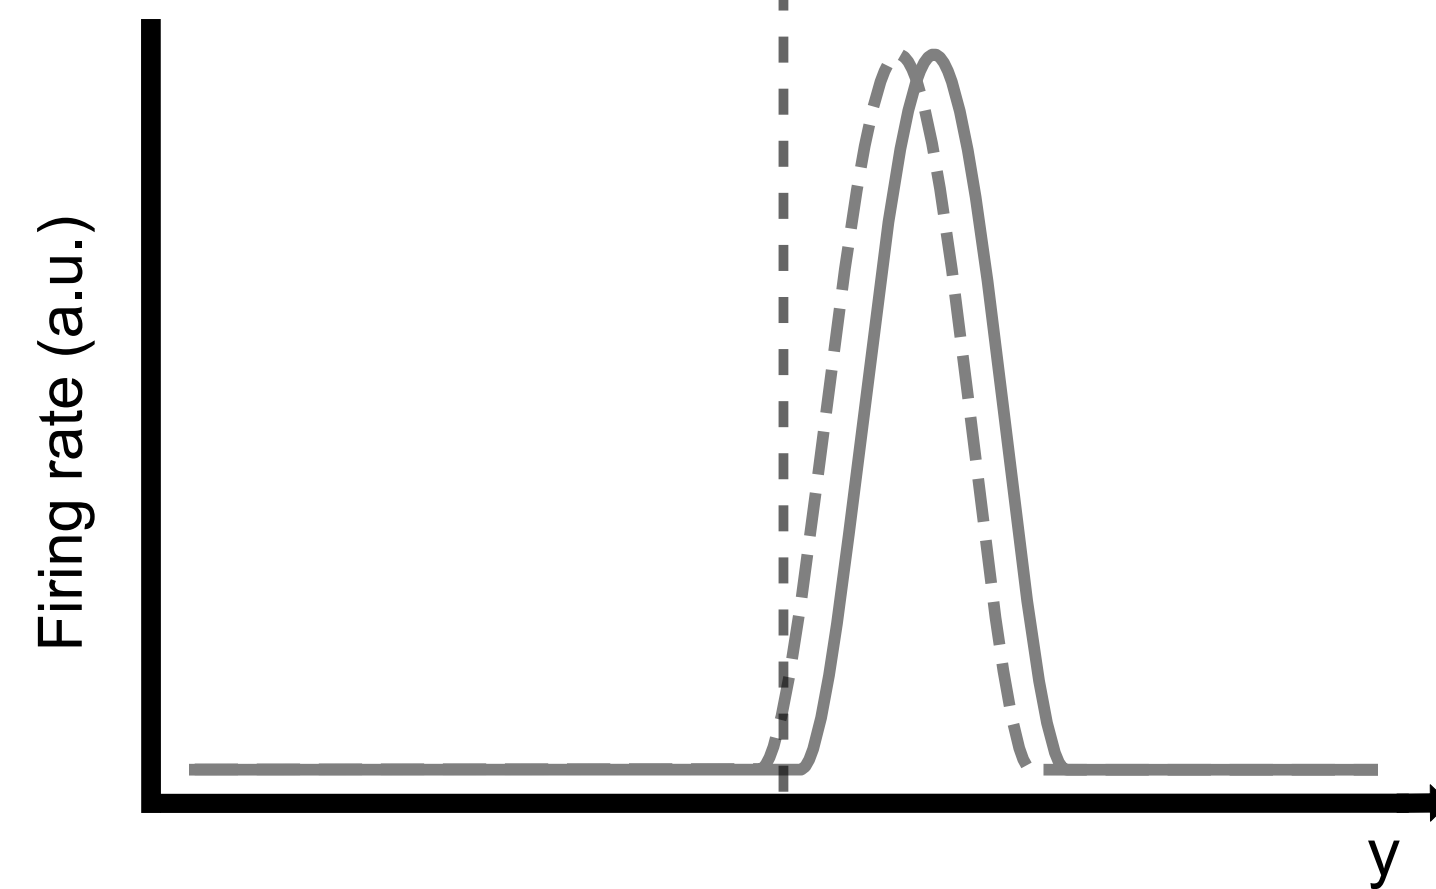

# Average 2D contribution of HD x spatial cells

Input contribution to omnidirectional grid cell  
(HD x spatial + global inhibition)

Sum of inputs +  
rectification +  
normalization

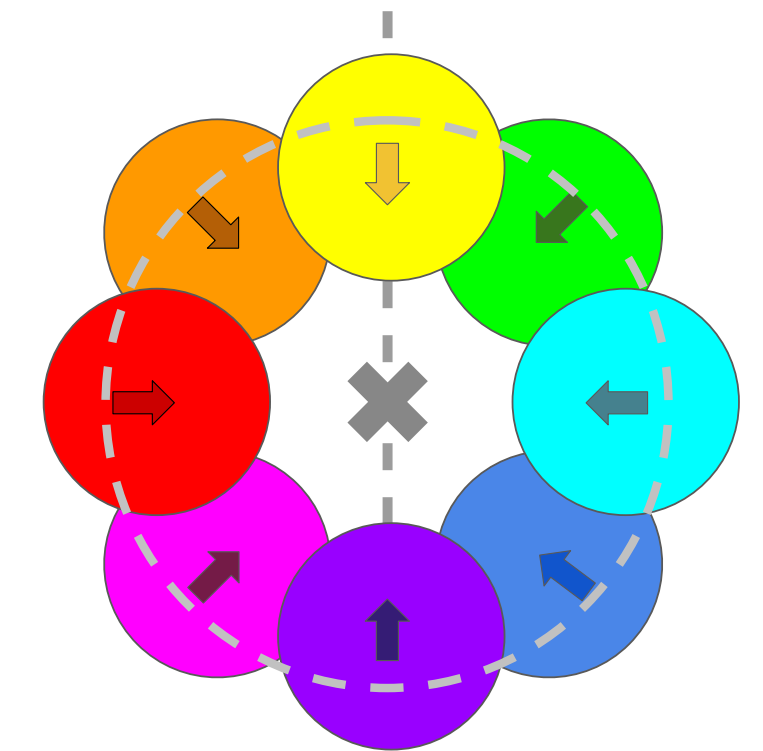

Uphill Spatial  
Cell Contribution

Downhill Spatial  
Cell Contribution

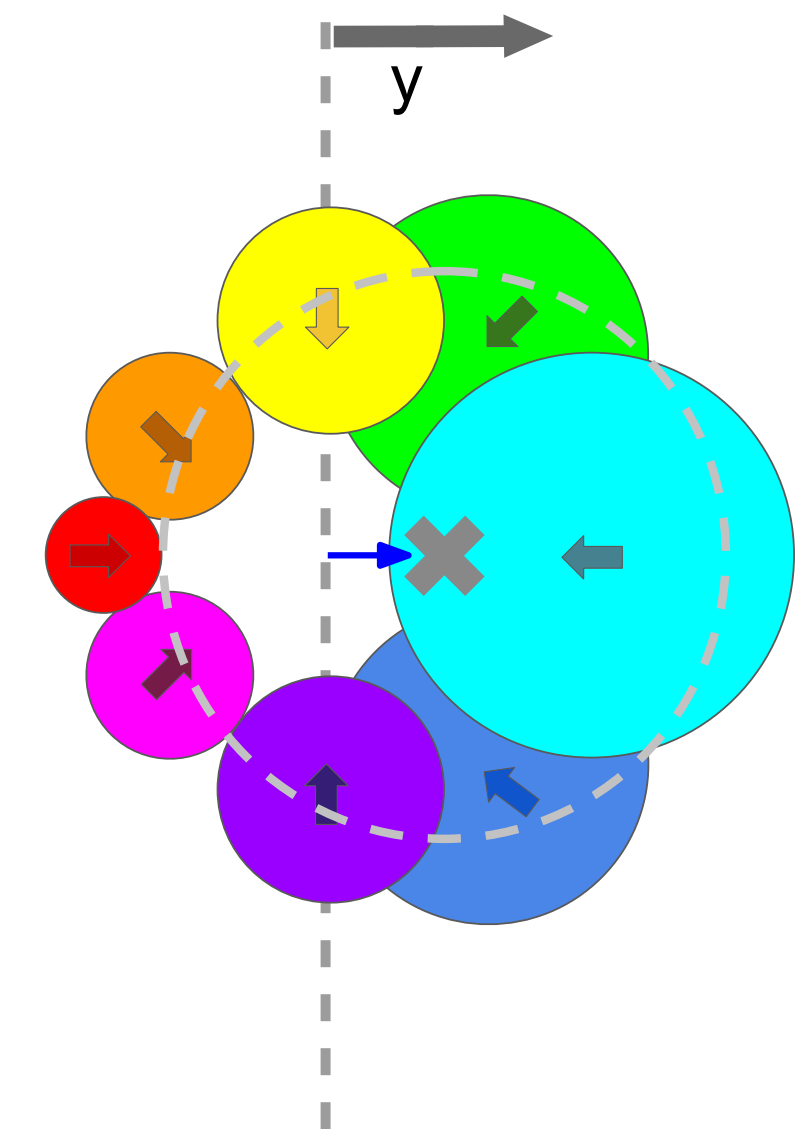

— — Baseline

— — Modulation induced  
by inclination

0°

60°
